- Cooperation
- Knowledge

SCHOOL DESCRIPTION

Welcome to Keyway International School, located in the serene environment of Nasra Garden. We are a mixed Day International school committed to providing quality education anchored in academic excellence, strong moral values, and character development. Our nurturing environment ensures that each learner grows intellectually, socially, and spiritually, becoming a responsible and confident global citizen.

Keyway school was founded on 18th January 2018; we have quickly grown into a center of excellence, with our students sitting for 3 international Year 11 examinations and getting exemplary results.

Our school offers a modern, well-structured learning environment designed to support academic excellence and holistic development. We operate across two sister campuses, located approximately 150 meters apart, both equipped to meet the diverse needs of our learners.

- Two branches, each with spacious, well-ventilated classrooms designed to promote comfort and effective learning.
- A fully equipped science laboratory that supports hands-on experiments and practical learning.
- A dedicated IT Centre fitted with essential technology to enhance digital literacy.
- Access to a large, modern playground—located at our sister school—ideal for physical education, games, and co-curricular activities

STUDENT POPULATION

We pride ourselves on maintaining a focused learning environment

with small teacher-to-student ratios:

- Total Students: 250
- Gender Distribution:
 - Boys – 105**
 - Girls – 145**
- Average Class Size: 15 students per class

ADMISSION

Keyway International School admits learners through a transparent, merit-based process. All applicants sit for a written entrance assessment designed to evaluate literacy, numeracy, and critical-thinking skills appropriate to their year level. The written test ensures that each learner is placed in the right academic environment where they can thrive. Parents receive timely feedback, and successful applicants proceed to an interview and orientation.

GRADING SYSTEM

Our grading system follows a balanced and fair evaluation approach that combines continuous assessment and end-term examinations. Learners are graded using a standards-based scale that reflects their mastery of content, practical skills, and overall progress. Assessments include classwork, projects, oral presentations, and formal tests. The system helps track individual growth, identify learning gaps, and support personalized interventions.

PERFORMANCE OF PREVIOUS CANDIDATES

Keyway International School has consistently demonstrated strong academic performance across all levels. Our past candidates have excelled in both internal and external assessments, with many transitioning into top-performing schools and international programs. The school maintains detailed performance records, reflecting steady improvement and a positive trend in literacy, numeracy, and overall learner competency.

FACILITIES AND INFRASTRUCTURE

1. LABORATORY

Keyway International School is equipped with a modern and fully functional Science Laboratory designed to support hands-on learning and scientific inquiry. The laboratory provides a safe and stimulating environment where students can explore core scientific concepts through experiments, demonstrations, and practical activities. The lab features essential equipment for Chemistry, Biology, and Physics, including microscopes, reagents, burners, measuring instruments, safety gear, and well-arranged workstations.

Safety is a key priority; therefore, the laboratory is fitted with proper ventilation, emergency exits, fire extinguishers,

first aid kits, and clearly outlined safety rules. Students are guided by trained science teachers and laboratory assistants who ensure that all practicals are conducted responsibly.

The laboratory enhances students' understanding, encourages curiosity, nurtures problem-solving skills, and prepares learners for international examinations.

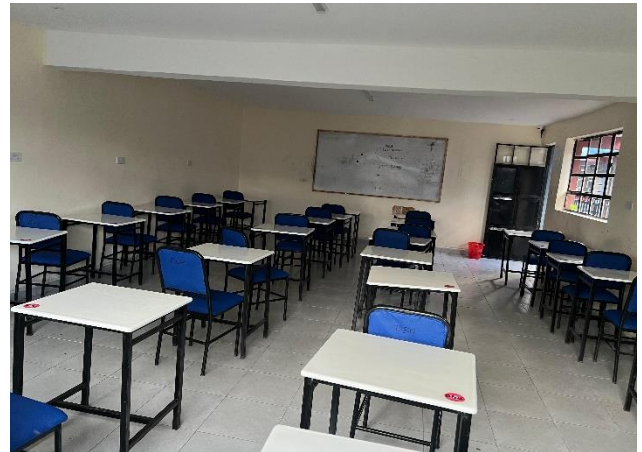

2. CLASSROOMS

Keyway International School provides spacious, well-lit, and well-ventilated classrooms that support effective learning. The classrooms are distributed between the two sister schools. Each classroom is designed to create a conducive and comfortable environment where students can focus, participate actively, and collaborate during lessons.

Classrooms are furnished with modern desks and chairs, whiteboards, learning displays, and adequate storage spaces for materials. Seating arrangements are flexible, allowing group work, discussions, and student-centered learning.

Cleaning and organization is highly maintained, ensuring a safe and welcoming atmosphere for all students.

Overall, the classroom setting promotes academic excellence, creativity, discipline, and a strong sense of community among learners.

OUR STAFF

We are proud to have a team of highly qualified, experienced, and dedicated educators who provide strong academic support, mentorship, and guidance to every learner. Their commitment ensures that all students receive personalized attention and remain on the path to success.

WORKSHOPS AND SEMINARS

We host regular workshops and dialogue forums for parents, learners, and staff. These sessions provide platforms for sharing ideas, addressing emerging educational issues, strengthening home–school partnerships, and enhancing academic and social development. Through expert-led discussions, training sessions, and open forums, we cultivate a supportive community that values communication and continuous growth.

STAFF PROMOTION

Keyway International School is committed to nurturing a motivated and high-performing workforce. Staff promotions are based on merit, professionalism, performance evaluations, leadership qualities, and contribution to school growth. The school provides equal opportunities for advancement through continuous professional development, mentorship, and recognition of excellence.

STAFF WELFARE

Our staff welfare program ensures that all employees work in a safe, supportive, and fulfilling environment. We prioritize mental well-being, health and safety, fair compensation, professional development, and recognition initiatives. The school fosters a culture of respect, teamwork, and open communication, ensuring that every staff member feels valued and empowered.

CO-CURRICULAR ACTIVITIES

Our co-curricular program is designed to develop confidence, teamwork, creativity, and physical fitness. Learners actively participate in a wide range of activities, including:
